

IDAHO ASSOCIATION OF SCHOOL BUSINESS OFFICIALS

The Idaho Association of School Business Officials is a non-profit organization of school employees whose responsibilities include the business affairs of public and non-public schools. Members have a wide range of duties from school finance, risk management, payroll and any other major area of school business administration.

Our bylaws now include business associate members, a category of membership which is available to any individual or firm which is commercially interested in the field of school business management. The annual dues are for a company membership and they are set by the Executive Board. For this coming year the annual membership has been set at \$100.00.

We would like to invite you to be a business associate member with IASBO for the coming year. Benefits of membership include:

- NETWORKING:** Business associates may participate in IASBO programs
- MEMBERSHIP DIRECTORY:** Business associate members will be published in the annual directory as a supporter of IASBO.
- HOME PAGE HYPERLINK:** Business associates will be listed on the **IASBO** Home page (<http://www.idahoasbo.org>) and we will provide a hyperlink to the home page of the business associate if desired.
- LISTING IN NEWSLETTERS:** Business associates will be prominently listed in at least one of our quarterly newsletters.
- ADVERTISING IN NEWSLETTERS:** For a nominal fee, business associates may purchase a quarter page advertisement in quarterly newsletters.
- MAILING LABELS:** Mailing labels of members will be available for a printing fee.
- VENDOR BOOTH PREFERENCE:** Business associates will receive a discount on the fee and a space preference for the annual meeting exhibit.

Enjoy the privileges of being a Business Associate member of IASBO for the coming year. Simply complete the enrollment form and return it with your check to Marcia Hoffman, IASBO Treasurer, Plummer/Worley Joint School District #44, PO Box 130, Plummer, ID 83851
