President's Message January 2009

Welcome back - I hope everyone had a great Holiday Season.

As the legislative session commences, we can all begin speculating what kind of budget challenges we will be facing. Certainly, next year will bring challenges that many of us would like to avoid. This is certainly a time when I truly appreciate our organization as I find comfort in knowing that the majority of us are all in the same boat.

We awarded Eeve Kiler from Meridian School District the School Business Official of the Year award in June. It is not too early to start thinking about nominating an individual for the 2009 School Business Official Award. Information will be sent out in April.

Our annual spring finance workshop will be held in Boise again this year. The dates have been set for March 5th and 6th. The venue will be the Holiday Inn off Vista again this year. Thanks to Tim Hill, and his staff for presenting again this year. We will also present a session on Parliamentary Procedure (Roberts Rules of Order) and Legislature 101 (hopefully, attending a session at the capitol). The registration form is attached as well as the agenda.

Our June conference will once again be at the Riverside DoubleTree Hotel. It will be June 24th-26th, please contact Jennifer Johnson if you have any questions.

Finally, I encourage all of you to support your regional directors and our organization. I truly believe the network that exists within our membership can be of assistance to each and everyone of us.

Thank you,

Julie Day
President
