### President's Message April 2009

As the legislative session continues, we can collectively sum up our entire budget process as one big **question mark**. Since I have so many questions and very few answers, one of the many lessons I have learned is patience!

I am looking forward to our June conference; Jennifer Johnson has scheduled some really great speakers. The conference is **June 24-26** and we are back at the Doubletree Riverside this year. Attached are the agenda and the registration forms. I realize with all our budget cuts that this could easily be on the chopping block. However, this will be a great opportunity for all of us to brainstorm ideas and clarify what is happening.

Mike Chatterton is accepting applications for nominations for the Business Official of the Year (see attached application). These are due **May 15, 2009**. Please email Mike at [mchatterton@blaineschools.org](mailto:mchatterton@blaineschools.org) or fax him at 208-578-5110.

We have several positions that are up for election this year. Region I, III and V, Member-at-large, Treasurer and President-Elect are open this year. If you are interested in any of these positions, please contact Mike Chatterton (see above).

Tom Taggart has updated our website. Please check out our new look at [www.idahoasbo.org](http://www.idahoasbo.org). We are hoping this site can be a statewide resource for our members. Please let Tom know if you have any ideas or comments ([ttaggart@lakeland272.org](mailto:ttaggart@lakeland272.org).)

I want to thank everyone that participates, either in their regional meetings and/or our conferences. Your participation is what makes IASBO so valuable. Each year, we discuss how to strengthen our organization and we see our greatest results through our membership. Thank you again, and please encourage any existing or new finance people you know to become involved.

Thank you,

Julie Day  
President
