

IASBO Annual Conference registration is now open!

Greetings from IASBO,

The Board of Directors of IASBO invites you to register now for the annual summer conference. Your Board is working very hard to complete planning for this year's conference. Sessions have been planned on HR/payroll, Purchasing, Technology Security, other Fraud and Security issues along with special speakers. You will also have the opportunity to meet our business sponsors as they display their products and share their expertise with you during breaks, meals and social activities on Wednesday afternoon, Thursday and Friday morning. Please click on [REGISTER](#) to complete your on line registration for June 27, 28 & 29, 2018. The final schedule along with descriptions of each session will be published on our website, WWW.Idahoasbo.org, very soon. If you have questions please send them to your Executive Director at mike.gibson7487@gmail.com or your IASBO Treasurer at kblackburn@blaineschools.org.

The Board of Directors will recognize five (5) who register that have not attended the conference or have not attended the conference in the last five (5) years by waiving the registration fee. Drawing will be held prior to the conference if more than five are entered.
