To assist you in developing your schedule the following summaries are provided:

Sessions		
Topic	Presenter	Description of Session
State Department of Education, School Finance	Julie, Pam, Brandon & Tim Hill	School finance review of IFARMS, Tuition, SBM, Indirect costs, Calendars, Attendance, Budgets, Bond Levies, Buildings, Salary & Benefit Apportionment and an Overview of the State Funding Formula.
Transportation Financial Reporting	Alexandra McCann, SDE	A review of state transportation annual reporting and filing of reimbursement requests. Additional examples of proper filing of annual reports will be shared and discussed. The first half of the presentation will focus on owner/operator districts and the second half will focus on contracted districts.
Supplement not Supplant Methodology for Title I-A	Elmira Feather, SDE	A review of the new Supplement not Supplant (SNS) requirement of Title I-A funding (new under ESSA) and how SDE will test it. Business Managers provide their SNS test methodology in writing to SDE when SDE monitors your local education association.
Title I & IDEA Part B, Maintenance of Effort	Elmira Feather & Anthony Mukuna SDE	A review of districts requirement of Maintenance of Effort for these federally funded programs. This session will cover an overview of the requirements, exceptions to the general rules, detailed calculation with examples, and further process for districts that did not meet the requirements. Staff will update Medicaid reporting requirements.
School Safety	Matt McCarter, SDE	Idaho Safe Schools Initiative (KISS) funding and how to plan, implement and monitor school safety measures in your district.
Legislature 2019 - Update	Kathy McPherson	Kathy, Region III Director, has been closely following all the activity at the current legislative session and will update everyone on the current status of legislation important to School Districts.
ISEE	Brandon Phillips, Pam Brewer, Julie Oberle, & Todd King, SDE: panel of business managers	ISEE reports are uploaded and then often forgotten. This session is intended to help business managers identify 'best practices' for reviewing and verifying data to insure that funding based on this data is correct for your district/charter.
